

Reconocer figuras 2D
asociadas a figuras 3D

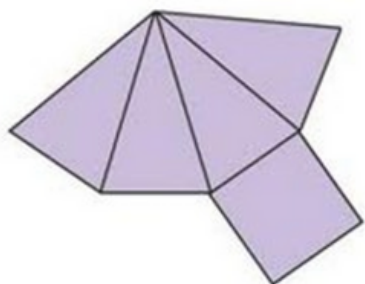

1. Una los cuerpo geométricos desarmados con su figura 3D.

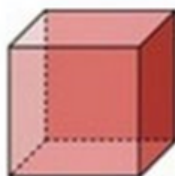

2. Observe la figura 3D e indique cual red geométrica le pertenece.

3. Observe la siguiente red geométrica e indique a que cuerpo 3D pertenece.

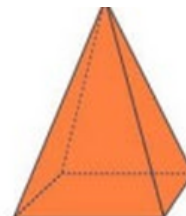

a)

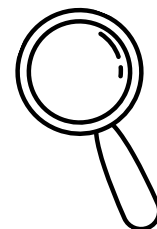

b)

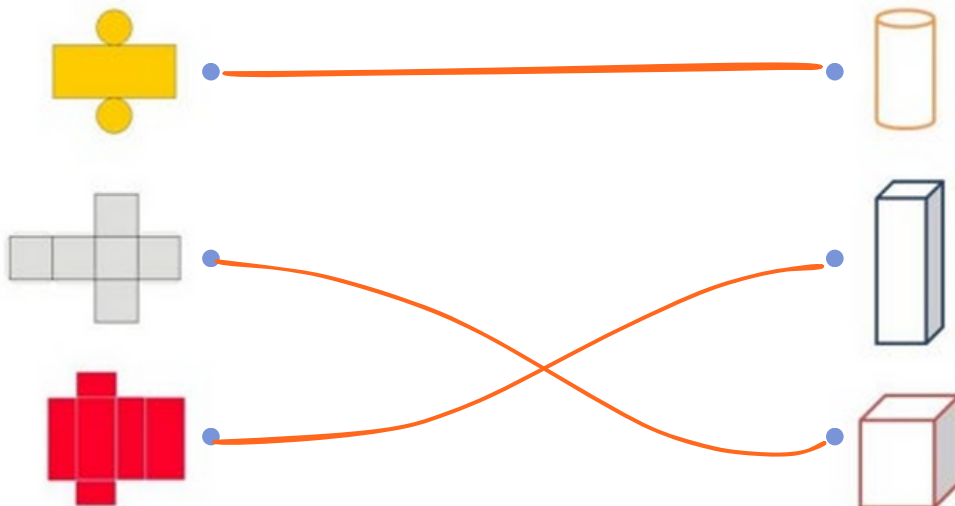

c)

Resultados:

1.

2. Alternativa c.

3. Alternativa c.
