

2° Básico Matemáticas

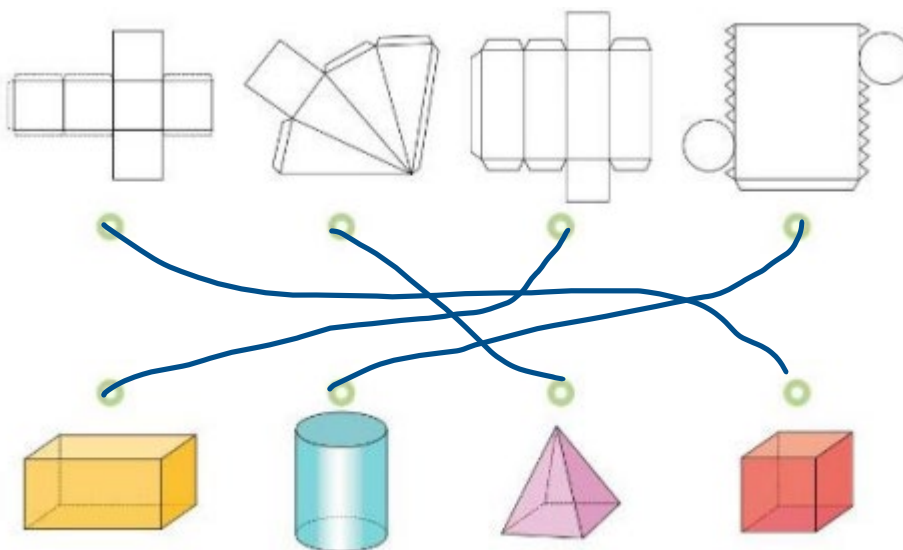

Redes Geométricas

● Ejercicios

1.

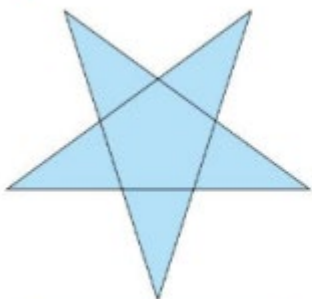

Figura 3D	Caras

2.

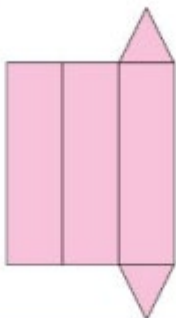

3.

a.

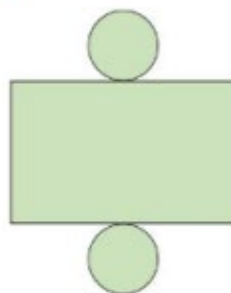

PIRAMIDE

b.

PRISMA
TRIANGULAR

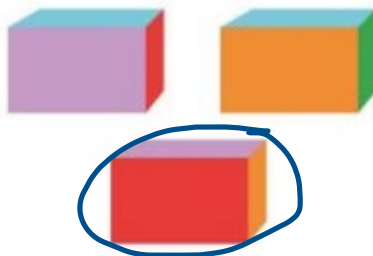

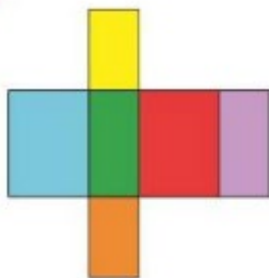

c.

CILINDRO

4. Encierra la figura 3D que corresponde a cada red geométrica.

a.

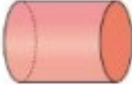

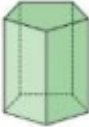

b.

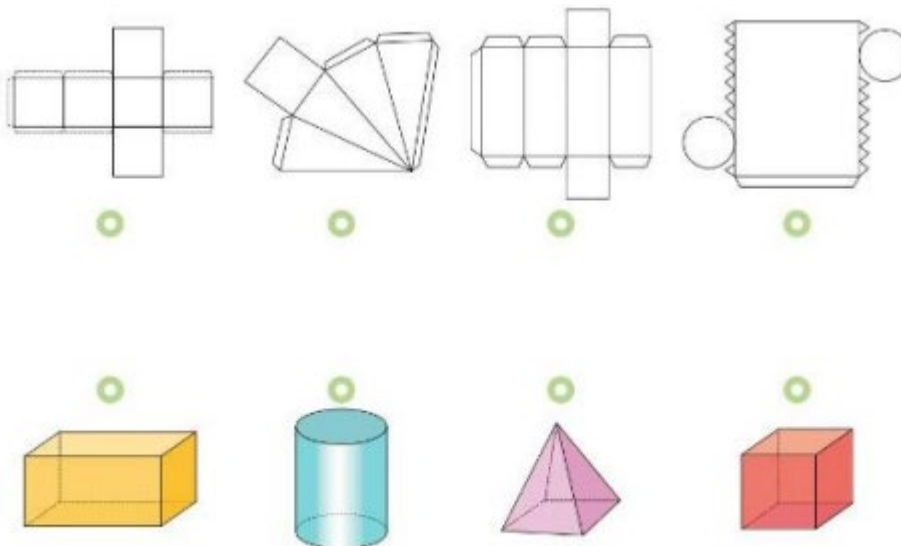

● Respuesta

5. Pinta las caras necesarias para formar cada figura 3D.

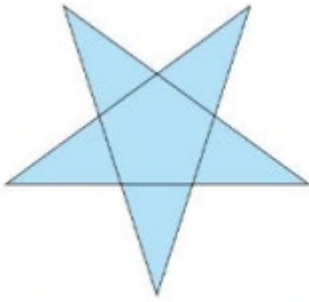

Figura 3D	Caras
	        
	      
	     
	          

6. Une la figura 3D con su respectiva red.

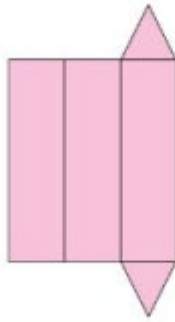

7. Escribe el nombre de la figura 3D que corresponde a cada red.

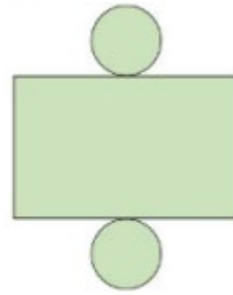

a.

b.

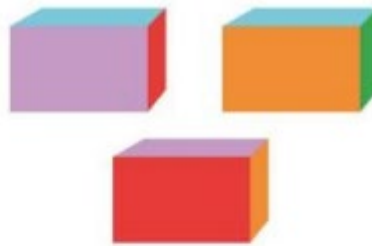

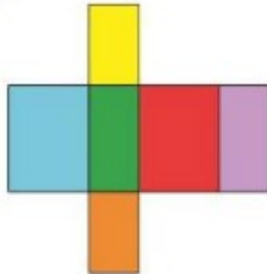

c.

8. Encierra la figura 3D que corresponde a cada red geométrica.

a.

b.
