

4° Básico Matemáticas

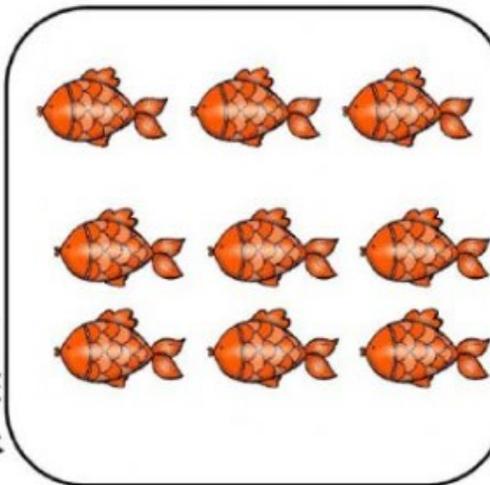

Cálculo mental: dobles y mitades

- Ejercicios

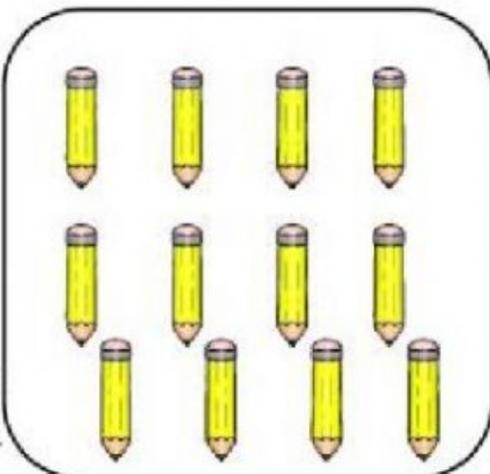

Actividad 1. Escribe el doble o la mitad:

LA MITAD

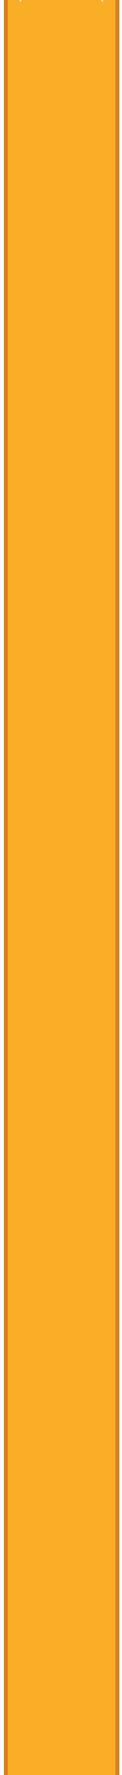

EL DOBLE

LA MITAD

EL DOBLE

A rounded square box with the text "EL DOBLE" at the top. Below the text is a smaller, empty square box, likely intended for a student to write the result of doubling the number of moons in the first box.

● Respuesta

1. 10
2. 18
3. 6
4. 10
